Said sum to be financed through the following actions:

1. The Town to raise and appropriate the sum of Thirty Five Thousand Dollars (\$35,000) to be raised by the issuance of serial bonds or notes and not to exceed Thirty Five Thousand Dollars (\$35,000), under and in compliance with the provisions of the Municipal Finance Act (NH RSA 33.1 et. seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Lincoln.
2. To authorize the Selectmen to file an amended Step I application for Financial Assistance with the US EPA for a grant in an amount not to exceed One Hundred Five Thousand Dollars (\$105,000) and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 USC 1251 et seq.) and to pass any vote relating thereto.

George McGee moved that \$140,000 be appropriated for the purpose of conducting a sewer system evaluation survey with concurrent rehabilitation of the sewer system which are requirements contained in the Federal Water Pollution Control Act, as amended (33 USC 1251 et seq.) and will qualify the Town for Federal and State Funds. Laurence Gilman seconded. Vote was unanimous in the affirmative.

ARTICLE #37: To see if the Town will vote to authorize the expenditure of a sum not to exceed One Hundred and Forty Thousand Dollars (\$140,000) for the purpose of preparing plans and specifications on sewerage and sewage treatment which are

requirements contained in the Federal Water Pollution Control Act, as amended (33 USC 1251 et seq.) and will qualify the Town for Federal and State Funds.

Said sum to be financed through the following actions:

1. The Town to raise and appropriate the sum of Thirty Five Thousand Dollars (\$35,000) to be raised by the issuance of serial bonds or notes and not to exceed Thirty Five Thousand Dollars (\$35,000), under and in compliance with the provisions of the Municipal Finance Act (NH RSA 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such notes or bonds as shall be in the best interests of the Town of Lincoln.
2. To authorize the Selectmen to file Step II application for Financial Assistance with the US EPA for a grant in an amount not to exceed One Hundred and Five Thousand Dollars (\$105,000) and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants of the Federal Water Pollution Control Act, as amended (33 USC 1251 et seq.) and to pass any vote relating thereto.

George McGee moved that the Selectmen should be authorized as advertised in the warrant. Laurence Gilman seconded. Vote was unanimous in the affirmative.

ARTICLE #38: To see if the Town will vote to appropriate and authorize the withdrawal of funds from the Antirecession Fiscal Assistance Fund established under the provisions of the Public Works Employment Act of 1976 (Public Law 94-369 Title II of the Act) for use as setoffs against Budgeted appropriations for the following specific purpose and in the amount indicated herewith or take any other action thereon.

REPORT FROM YOUR POLICE DEPARTMENT

During the year 1979 the Lincoln Police Department found itself constantly busy with a steady caseload and work on several projects. The days of the between season lulls in activity are a thing of the past. Law Enforcement is no longer just busy in the Summer and Winter months, but all year around.

We experienced several personnel changes during the year. In March Steve Emerson resigned from his post as the Loon Mountain Security Officer. He was replaced by Leola Perry. In May a new special officer was added, that being Brian Peltier. In mid-December Leola Perry resigned and moved west in an attempt to further her law enforcement career.

Throughout the year a big concern has been with PROFESSIONALIZATION. Officers have attended continuing education courses in an attempt to increase their knowledge and understanding of the Criminal Justice field. In February Leola Perry, Rocky Jones and Brian Peltier attended the Part-Time Officers Seminar held in Plymouth. All graduated with honors. In May Larry Drew graduated from the Police Standards and Training Council Police Academy. He received instruction in all areas of law enforcement, and in addition he also received special training in the operation of the breathalyzer instrument. He is now a fully certified police officer and breathalyzer operator. In May Jeff Mayhew concluded a 16 week course in Juvenile Justice Administration and from September to December he attended a course in Criminal Justice Administration. In September Phil English and Leola Perry attended and successfully completed a course in Advanced First Aid and Emergency Care. Also that month our Canine Control Officer, Tom Strickland, attended a seminar in control and custody of animals and the laws related to the same.

If you have stopped by the station since April you probably have noticed the new interior. From March to late April several department members spent many long, volunteered hours in an attempt to change the face of the station interior. The dispatcher area was rebuilt, to provide more safety from visitors. New panelling was put up, cabinets were built, areas were repainted along with a host of other changes. We would like to thank Roger Lan-

dry for his technical and physical assistance on the project. Without him the place would not have turned out half as well as it did.

The department was also involved in several projects throughout the year. The first was in late June, a police cadet was hired. The program was funded by the Commission on Crime and Delinquency. It provided an extra hand around the station and at the same time it allowed a high school student to find out what law enforcement was really about. Laura Pixley was hired from the list of applicants.

In September and October the department put together a program to divert juveniles from the court system. It allows the child the chance not to go to court but still be held accountable for his actions. The Court Diversion Program was instituted by Judge Parker in late October, and the Diversion Committee has held a couple of meetings.

An attempt was made to develop a Ski Theft prevention program in conjunction with the ski area operators of Ski-93. The program fell through though when the area operators failed to provide funds to cover the costs of the program.

December 1st was the starting date for OPERATION: Good Morning. The program is a telephone check system for area senior citizens and those who are physically disabled and living at home alone. The program is operated in conjunction with the Communications Center and the Woodstock Police Department.

The department statistics for the year are as follows:

	1979	1978
Criminal & Major MV Case Investigations	211	187
Criminal & Major MV Case Arrests	136	147
MV Summons Issued	160	412
MV Warnings Issued	214	238
Accidents Reported	108	101
Incidents Reported w/o Arrests resulting	1,662	1,581
Unsecure Buildings found in Nightly Door Checks	640	562
Incarcerated in Jail	54	67

You will note that during 1979 the number of motor vehicle

summons issued for traffic violations was down approximately 48%. The reason for this is that people seem to be travelling slower in general, and also because during 1978 we made an intense effort to crack down on excessive speed violations.

All in all, we have enjoyed serving you, the people of Lincoln, during 1979, and we look forward with great anticipation to the 1980's.

Respectfully submitted,
WALLACE J. PELTIER
Chief of Police

REPORT OF THE LINCOLN COMMUNICATIONS CENTER

During 1979 the dispatchers at the Communications Center were kept constantly busy. Again there was an increase in usage on the part of the residents and town law enforcement officers. Statistics for the year are as follows:

	1979	1978	1977
Radio Log Entries	37,316	35,115	31,612
Forest Service Radio			
Log Entries	320	432	240
Ambulance Calls	156	134	130
Phone Calls	15,708	13,871	8,275
CB Radio Calls	207	435	223
Fire Department Calls	7	14	--

You will note a reduction in the number of calls logged on the U.S. Forest Service Radio. This was because several of the Forest Rangers had radios installed in their vehicles with the police frequency thus providing direct contact with officers in the field. CB Radio calls were also lower as the CB Radio fad fell by the wayside.

In April work was completed by the Police Department, in changing the dispatch area to make the dispatchers safer from people coming into the P.D. This was done after several cases from other towns where people have attempted to injure the dispatcher or attempt to foul up radio communications with officers on the road.

In September two dispatchers, Tom Strickland and Pat Rear-don, successfully completed a course in Advanced First Aid and Emergency Care. They will now be able to provide emergency medical care to those people coming to the P.D. looking for assistance.

On December 1st a program called OPERATION: Good Morning was started. It provides a daily check on area senior citizens and physically disabled persons who live alone at home. The program has met with little problem thus far and has received notability in a story in the Manchester Union Leader and other area newspapers. Working in conjunction with the Communications Center on this project are both the Lincoln and

Woodstock Police Departments.

If the Communications Center can serve the public better in the future just let us know how; we will attempt to work something out for better service. We look forward to serving you in the future.

Respectfully submitted,

THOMAS STRICKLAND

Chief Communications Specialist

SUMMARY OF FINDINGS AND RECOMMENDATIONS

**Board of Selectmen
Town Office
Lincoln, New Hampshire 03251**

January 31, 1979

Members of the Board:

Submitted herewith is the report on examination of the financial statements of the Town of Lincoln for the year ended December 31, 1978, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

GENERAL COMMENTS

Clerk of Court:

Net court receipts for the first half of 1978 were transferred to the treasurer on July 3, 1978, and not monthly as prescribed by R.S.A. 502-A:9, which reads as follows:

“Payments to cities and towns shall be made monthly, on or before the fifth day of each month, and shall cover the net receipts for the month preceeding. . . .”

We strongly recommend that payments to the Town be made within statutory provisions.

In addition, we recommend the use of a columnar cash disbursements journal to facilitate expenditure analysis, and to provide stronger controls over cash.

Purchasing Procedures:

The following recommendations are included in order to improve existing purchasing and disbursing procedures.

- 1) Vouchers and supporting papers should be effectively cancelled upon payment of same.
- 2) Packing slips and other miscellaneous documents should be attached with the invoice prior to payment
- 3) The use of purchase orders should be implemented on a greater scale than exists at present, with a goal towards centralized purchasing in the future.

Conclusion

The provisions of Chapter 71-A, Section 21, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We express our thanks to the officials and employees of the Town of Lincoln for their assistance during the course of the audit.
